Gentlemen,  
I urge you to reject NAB petition 04-160. I use XM radio and I use the traffic and weather station. I pay for these services and I do not want to lose them. As you must know, traffic around DC is awfull, and being able to get instand traffic reports on XM radio is very helpfull. The ability to get the weather without listing to 10 miniutes of commercials first is valuable to me, and one of the reasons I subscribe to XM radio. Please reject NAB 04-160.

Thank You

Geoff Grant
